- A. Please feel free to recycle or reuse any suitable supplies that your child already has (*e.g. scissors, ruler, etc.*) Some supplies will need to be replenished throughout the year.
- B. KEYTAB Notebooks are recommended **No Coil Bound Notebooks please**. We do **not** recommend CANADA brand notebooks, as they fall apart after very little use.
- C. We recommend good quality pencils, as the cheaper brands break when sharpened.
- D. Homework books / student planners are required. They will be available for purchase through the classroom teacher for \$5.00.
- E. Additional supply lists may be handed out by individual teachers in September.
- F. Gym strip is also required for all intermediate students: shorts, t-shirt, non-marking running shoes in a **labeled** gym bag. **\*Dollar Store Mesh Bags work well.**
- G. Please write your child's name on all equipment.
