Strathcona Elementary School

"Home of the STARS"

46375 Strathcona Road Chilliwack, BC V2P 3T1

This agenda belongs to:

Name:		
Address:		
City/Town:		
Postal Code:	Phone:	

Mission Statement: We inspire competence, character and compassion.

For Parents & Students:

This handbook contains helpful information about everyday school routines, as well as, a copy of the school "Code of Conduct".

Please take the time to study it together, parent and child.

We have selected this format for a school handbook, hoping that you will find all the information you need in one place. Our school is an active and busy place of learning. We look to our students to try their best and always remember,

If you reach for the sky, you'll always be a star!

School Calendar 2020 – 2021

http://strathcona.sd33.bc.ca/calendar

Schools Open	September 8
Thanksgiving	October 12
NON-INSTRUCTIONAL DAY #1	October 23 (Provincial)
Early Dismissal	October 29 (11:30 a.m.)
Remembrance Day- Statutory Holiday	November 11

GENERAL SCHOOL INFORMATION

ATTENDANCE

If we have not been contacted about a child's absence, the office will do the following.

- 1. Call the home number and talk to the parent.
- 2. If no answer, leave a message asking that they call the school.
- 3. Call each of the other numbers on the student's file in this order: #1 parent cell; #2 parent cell; #1 parent work; #2 parent work; #1 emergency number; #2 emergency number.

PHONES

Students are encouraged to call home if they are going to be staying at school unexpectedly or for other "urgent" reasons. However, our phones are not available for making after-school play dates.

CELL PHONES & OTHER DEVICES

- All of these devices (cell phones, iphones, ipads, ipods) should only be used for educational purposes...<u>with</u> consent and under the direct supervision of the classroom teacher.
- Students are expected to <u>not use</u> any of these devices (cell phones, iphones, ipads, ipods) at any time during school hours without the consent & direct supervision of their classroom teacher (including before school, recess, lunch, after school).
- If students feel that they need to use a cell phone during school hours, they should get permission from their teacher/supervisor to use the school phone.
- All devices (cell phones, iphones, ipads, ipods) should be turned off during school hours.
- EXCEPTIONS...
 - If students need to make a call when they arrive at school to ensure parents that they made it safely, they should make that call outside of the building.
 - If students need to make a call to inform parents that they are leaving the school at the end of the day, they should make that call outside of the building.

VISITORS

Parents or any other guests of the school are required to report to the school office and get a visitor's tag to wear while in the school during instructional time.

LUNCH EXPECTATIONS

The majority of our students eat their lunch at school each day. If you wish for your child to come home for lunch, please inform the school by note or phone call. Otherwise, we expect all of our students to eat here. Please also note that we are "Nut Aware" (i.e. send food that is free of peanuts and tree nuts). In our efforts to promote healthy eating we are asking that students refrain from bringing pop or sugary drinks to school.

NEWSLETTERS

Are available on our school website: http://strathcona.sd33.bc.ca/newsletters

ASSEMBLIES

Strathcona holds assemblies for students to recognize student achievement, celebrate behavioural successes, and showcase classroom and individual talent. The regular time and date will be communicated in September.

STUDENT VOLUNTEERS

Strathcona Elementary enthusiastically supports the effort of our Student Volunteers. Student Volunteers can take many forms; they can be Library Helpers, Recycling Team, Peer Leaders, Office Helpers, Lunch Monitors to name a few. Students from Grades 4-5 will be made aware of opportunities available to them at their grade level after the year is underway.

FIELD TRIPS

Student field trips are an integral part of the learning environment at Strathcona Elementary School. They are educationally enriching experiences, which all students will have the opportunity to participate in. All students in "Good Standing" (see Code of Conduct) are eligible to attend planned field trips. Signed permission slips are required for all field trips. Parent volunteers are valued and may be requested by the classroom teacher to assist in supervision, depending on the type of excursion.

PARENT ADVISORY COUNCIL (P.A.C.)

Strathcona Elementary has a hard-working P.A.C., which meets monthly. (http://strathcona.sd33.bc.ca/calendar) This group is a valuable asset to our school both in an advisory and a supportive capacity. P.A.C. meetings are open to all parents, and items can be brought to the meeting in person, or through any member of the P.A.C. executive.

You may contact PAC through the school regarding any questions you may have via the following email address: strathconapac@gmail.com

STRATHCONA ELEMENTARY SCHOOL GOAL 2020-2021

Mission Statement: We inspire competence, character and compassion.

Values: Integrity, Teamwork, Leadership, Collaboration and Compassion.

REPORT CARDS

Our teachers send home formal reports at three intervals during the school year. As well, two opportunities are scheduled for interviews with teachers, parents, and students. Our students are tracked using "performance standards" that compare them to the widely held expectations for children of comparable age and grade; they do not equate to the traditional "G" "S" or "N" of our childhoods, but instead to the actual ability of the child in the accomplishment of a set, developmentally appropriate task or activity.

Beginning	Developing	Applying	Extending
to acquire knowledge, skills, strategies and processes. With support, student is beginning to understand grade level concepts and competencies.	the ability to apply knowledge, skills, strategies and processes. Student is further developing an understanding of grade level concepts and competencies, but still requires support.	knowledge, skills, strategies and processes consistently. Student is working independently and is meeting grade level concepts and competencies.	knowledge, skills, strategies and processes creatively and strategically. Student can apply concepts and competencies innovatively in other contexts.

HOMEWORK

Homework should be appropriate to the age and abilities of the student. It is not intended as a form of accelerated academic learning nor is it intended to be punitive. It is intended to be productive for the child related to the classroom program. We appreciate that time with family members is valuable and can also provide rich experiences that are equally important. In an endeavor to bring clarity to the notion of homework, the following guidelines have been developed.

HOW MUCH HOMEWORK?

<u>Kindergarten</u>

★ Routine homework assignments are not considered appropriate for this level, beyond daily reading. Parents may support their child's program by encouraging the use of books for pleasure. Number games may be an effective way for the home to be involved.

<u>Grades 1 – 3</u>

★ Students may spend about 10 to 30 minutes per day on varying types of homework that may include daily reading, practicing word work patterns, or basic math facts and activities

<u>Grades 4 – 5</u>

★ Students in the intermediate grades may spend up to 30 minutes per day on varying types of homework INCLUDING daily reading programs, and math facts practice.

Teachers may require students to finish work at recess, lunch hour or after school. Teachers will communicate to parents before having a student stay in after school to complete work.

Taking a Vacation?

From time to time, parents take students on extended vacations during the school year. It is not always reasonable or even possible for teachers to provide "homework" at these times. Speak to your child's teacher to determine what, if anything, can be provided. Take-home assignments should not be a cause of stress. Quality home assignments do not interfere with families; instead, they help to build connections between students, parents, and teachers.

Suggestions to Students:

- ★ Before leaving school, be sure homework is written down and materials are in your backpack.
- ★ Ask your teacher if you aren't sure of something.
- ★ Complete homework by the due date; return it to the school.
- ★ Choose the right time establish a routine homework time and stick to it.
- ★ Find the right space find the setting in your home or at the library that works best for you.
- ★ Organize needed materials.
- ★ Prioritize assignments complete one assignment at a time and check it off your list. You'll feel a sense of accomplishment, and your motivation to continue will increase.
- ★ Take breaks when you find your mind wandering, or after finishing a difficult assignment, take a short break.
- ★ Reward yourself give yourself a reward when all homework is completed. Watch a favourite TV show, call a friend, or ask your family for a round of applause. You deserve it.
- ★ Not past regular bedtime.

Suggestions for Parents

- ★ Support completion of tasks by checking student planner/assignment.
- ★ Ask "What do you have for homework?" (Not, "Do you have homework?")
- ★ Ask "Show me what you've done." (Not, "Have you finished?")
- Support development of time management skills, i.e. work completed in an appropriate amount of time and at an appropriate hour.
- ★ When needed, clarify concepts being learned.
- ★ Assist with proofreading and editing written work.
- ★ Parents should contact the teacher if the child repeatedly requires very long periods to finish assignment.

STRATHCONA ELEMENTARY CODE OF CONDUCT

Respect Yourself

Respect Others

Respect this Place

Purpose:

At Strathcona, we work hard to maintain a safe, secure and productive learning environment. A student's right and responsibility to learn, and a teacher's right and responsibility to teach are defended and protected. Students are expected to demonstrate by their actions and understanding of appropriate behaviour.

Strathcona school promotes the values expressed in the BC Human Rights Code respecting the rights of all individuals in accordance with the law, - prohibiting discrimination based on race, colour, ancestry, place of origin, religion, marital status, family status, physical or mental disability, sex or sexual orientation – in respect of discriminatory publication and discrimination in accommodation, service and facility in the school environment.

These expectations apply to behaviour at school, during school-organized or sponsored activities, and other circumstances where engaging in the activity (including on-line behaviour) will negatively impact the safe, caring and orderly environment of the school, and/or student learning.

RIGHTS AND RESPONSIBILITIES

I have a right TO LEARN

I have a responsibility for my own learning.

I have a right TO BE SAFE

I have a responsibility to use common sense at all times.

I have a right TO BE RESPECTED

I have a responsibility to value and respect others, all property, and the school.

STUDENT IN GOOD STANDING

In our school we strive to create a community of learners that is positive, responsible and respectful. We have standards in place for student behaviour, to ensure their success, both academically and in their personal interactions.

A STRATHCONA STUDENT IN GOOD STANDING is:

- ★ A student who has demonstrated that she/he can be trusted to be responsible both in the classroom and out.
- ★ A student who has completed assignments as required.
- ★ A student who has demonstrated that she/he is working positively with fellow classmates and adults in our school.

SUCCESS IS EVERYONE'S GOAL, EVERY DAY.

At Strathcona Elementary, the staff works together every day to ensure that children in our charge co-operate with and care about each other. Sometimes it is necessary to provide discipline to help and guide these children. Our procedure for discipline is straightforward and flexible, and it is in place to recognize <u>appropriate</u> behaviours, and to establish routines and consequences for <u>inappropriate</u> and <u>unacceptable</u> behaviours.

Please Note!

Whenever and wherever possible the classroom teacher is responsible for the discipline and student conduct in the classroom and during the school day. As is indicated in B.C. School Law, teachers are to act as "kind judicious parents". Individual teachers will share with students and parents their expectations for student conduct and will, at their discretion, communicate to parents concerns or problems involving student conduct. Problem behaviours are tracked using AIDE Forms, which may be sent home to be signed by a parent, depending on the circumstances.

APPROPRIATE BEHAVIOURS

Some examples of **appropriate** behaviours include:

- ★ Showing respect for other students
- ★ Showing respect for the property of others
- ★ Showing respect for the school building, playground and equipment
- ★ Respecting the adults in the school
- ★ Moving through the building in a quiet and orderly manner
- ★ Settling disagreements fairly
- ★ Respecting the "hands off" policy
- ★ Wearing clothing which is appropriate for school
- ★ Following school safety rules and obeying classroom rules
- ★ Attending punctually and regularly
- ★ Being prepared for classes
- ★ Working to the best of their ability
- ★ Being productive, caring members of our school community

We recognize students who demonstrate appropriate behaviour through; personal commendation, phone calls home, awards, "Strathcona Star" certificates and draws, awards, and special or additional privileges. We believe that appropriate behaviours can be taught and will be encouraged, recognized and reinforced.

UNACCEPTABLE BEHAVIOURS

Some examples of **unacceptable** behaviours include:

- ★ Stealing
- ★ Violent behaviors
- ★ Chronic disruptive behaviours
- ★ Chronic disrespectful behaviours
- ★ Bullying, intimidation
- ★ Vandalism
- ★ Insolent, dangerous or defiant behaviour
- ★ Possession of cigarettes, matches, lighters, drugs, alcohol or weapons
- ★ Cyberbullying, hate messaging and defamatory websites created in the student's home or other setting.

As well, the school will treat seriously behaviour or communication that discriminates based on race, colour, ancestry, place of origin, religion, marital status, family status, physical or mental disability, sex or sexual orientation (prohibited grounds set out in the BC Human Rights Code).

Consequences for unacceptable behaviours include: referral to the School Based Team and school Counsellor; meetings with parents, part time attendance with gradual re-entry to school when deemed necessary by the School Based Team, suspension in-school, suspension to home.

STRATHCONA STUDENT DRESS CODE

Our dress code is based upon "the need for being healthy and safe in a place of work, and the need for being respectful and appropriate in a place of learning". We are working with our "Family of Schools" to <u>standardize these expectations</u> and believe it provides an appropriate standard our students will be aware of when they reach Middle School.

Guidelines

- Headgear is to be worn outside only
- Shoes must be worn at all times
- Clothing should be free of suggestive, rude or offensive logos, pictures or literature and must cover the body within the grounds of common modesty and decency (no bare midriffs; spaghetti straps and tank tops should comply with the two-finger wide strap rule and bottoms should be to the ends of a child's fingers when their arms are straight down at their sides)

Students *will* be asked to change if they arrive at school in clothing which the staff or administration considers inappropriate. Modesty, appropriateness, and common sense are expected.

INDOOR SHOES

In an effort to keep the hallways, the gymnasium and classrooms clean we are asking that all students have indoor shoes.

POSITIVE BEHAVIOUR SUPPORT

Our school is participating in an important initiative. It is called Positive Behaviour Support (PBS). It is clear that people, children and adults alike, function best in a positive climate, where expectations are clearly understood.

PBS is a process for creating safer and more effective schools. It is a systems approach to enhancing the capacity of schools to educate all children by developing research-based, school-wide, and classroom behaviour support systems. The process focuses on improving a school's ability to teach and support positive behaviour for all students. Rather than a prescribed program, PBS provides systems for schools to design, implement, and evaluate effective school-wide, classroom, non-classroom, and student specific plans. PBS includes school-wide procedures and processes intended for all students and all staff in all settings. PBS is not a program or a curriculum. It is a team-based process for systemic problem solving, planning, and evaluation. It is an approach to creating a safe and productive learning environment where teachers can teach and all students can learn. Visit www.pbis.org for more information on this approach to school-wide behaviour support systems.

What is PBS at our school?

Socially Responsible, Trustworthy, Awesome Attitude, Respectful and Safe

We have adopted a unified set of behavioural expectations, called the STARS Behaviour Matrix. Similar to the Code of Student Conduct, the matrix defines our expectations for behaviour in our school. You will see the matrix posted throughout the school and in your child's classroom. Teachers will explicitly teach these expectations on an on-going basis. We ask that you, too, familiarize yourself with these expectations, and talk about them with your child. All documents can be found on our school's website [http://strathcona.sd33.bc.ca].

As part of our PBS process, teachers and other staff members use evidence-based practices to increase student learning and decrease classroom disruptions. To maintain a positive learning climate, we do the following when teaching academics and behaviour:

- > Regularly teach and refer to our school-wide expectations.
- > Provide students with more praise than correction.
- > Talk to students with respect using positive voice tone.
- > Actively engage everyone in the class during instruction.
- Use pre-correcting, prompting, and redirecting as we teach.
- Look for the positive first and provide positive, immediate, frequent, and explicit feedback.

We also have a school-wide system for dealing with misbehavior. The first step is to document the incident on an AIDE Form. AIDE stands for *assistance, intervention, discipline, and education*. PBS is a data-driven system, and these forms provide valuable information for our PBS Committee. The key to a successful, positive school climate is the ability to predict possible problems, and to develop plans that promote success.
