

# Grade One

September 2022-June 2023

**SCHOOL SUPPLIES:** There will be a **\$45.00 fee** for Grade One school supplies this year. While some of the supplies will be labeled and used only by your child, others will be used communally. Your child will be provided with all the supplies needed for a successful year. The \$45.00 fee can be paid in cash (correct change please) or by personal check (payable to Strathcona Elementary). Payment can be made when your child is placed with his/her new teacher in September.

Other items you will need to provide include:

**a backpack** – large enough to carry library books, a lunch kit, student work, and home folders safely home (note: the type with wheels do not fit in the classroom cubbies)

**a pair of gym shoes** (Velcro fastening or slip-on)

Looking forward to new adventures in Grade One!

Sincerely,

Mrs. Rideout  
Ms. Templeton
