A Statement About Learning

Learning must be engaging, relevant and meaningful, grounded in inclusive practices and First Peoples Principles of Learning, and committed to the growth of future-oriented citizens.

Strategic Plan Conceptual Framework

Our conceptual framework is designed to communicate the big ideas that we believe about our school district in a visual, holistic fashion.

Features of the framework include:

The framework is wrapped in First Peoples Principles of Learning (FPPL), using the colours of the cardinal directions of the medicine wheel: White, Yellow, Red and Black. The layers of 'Mission, Vision and Motto' as well as Governance are positioned at the outer edges of the framework, representing the important role of keeping our organization moving in the same direction as outlined by our Vision:

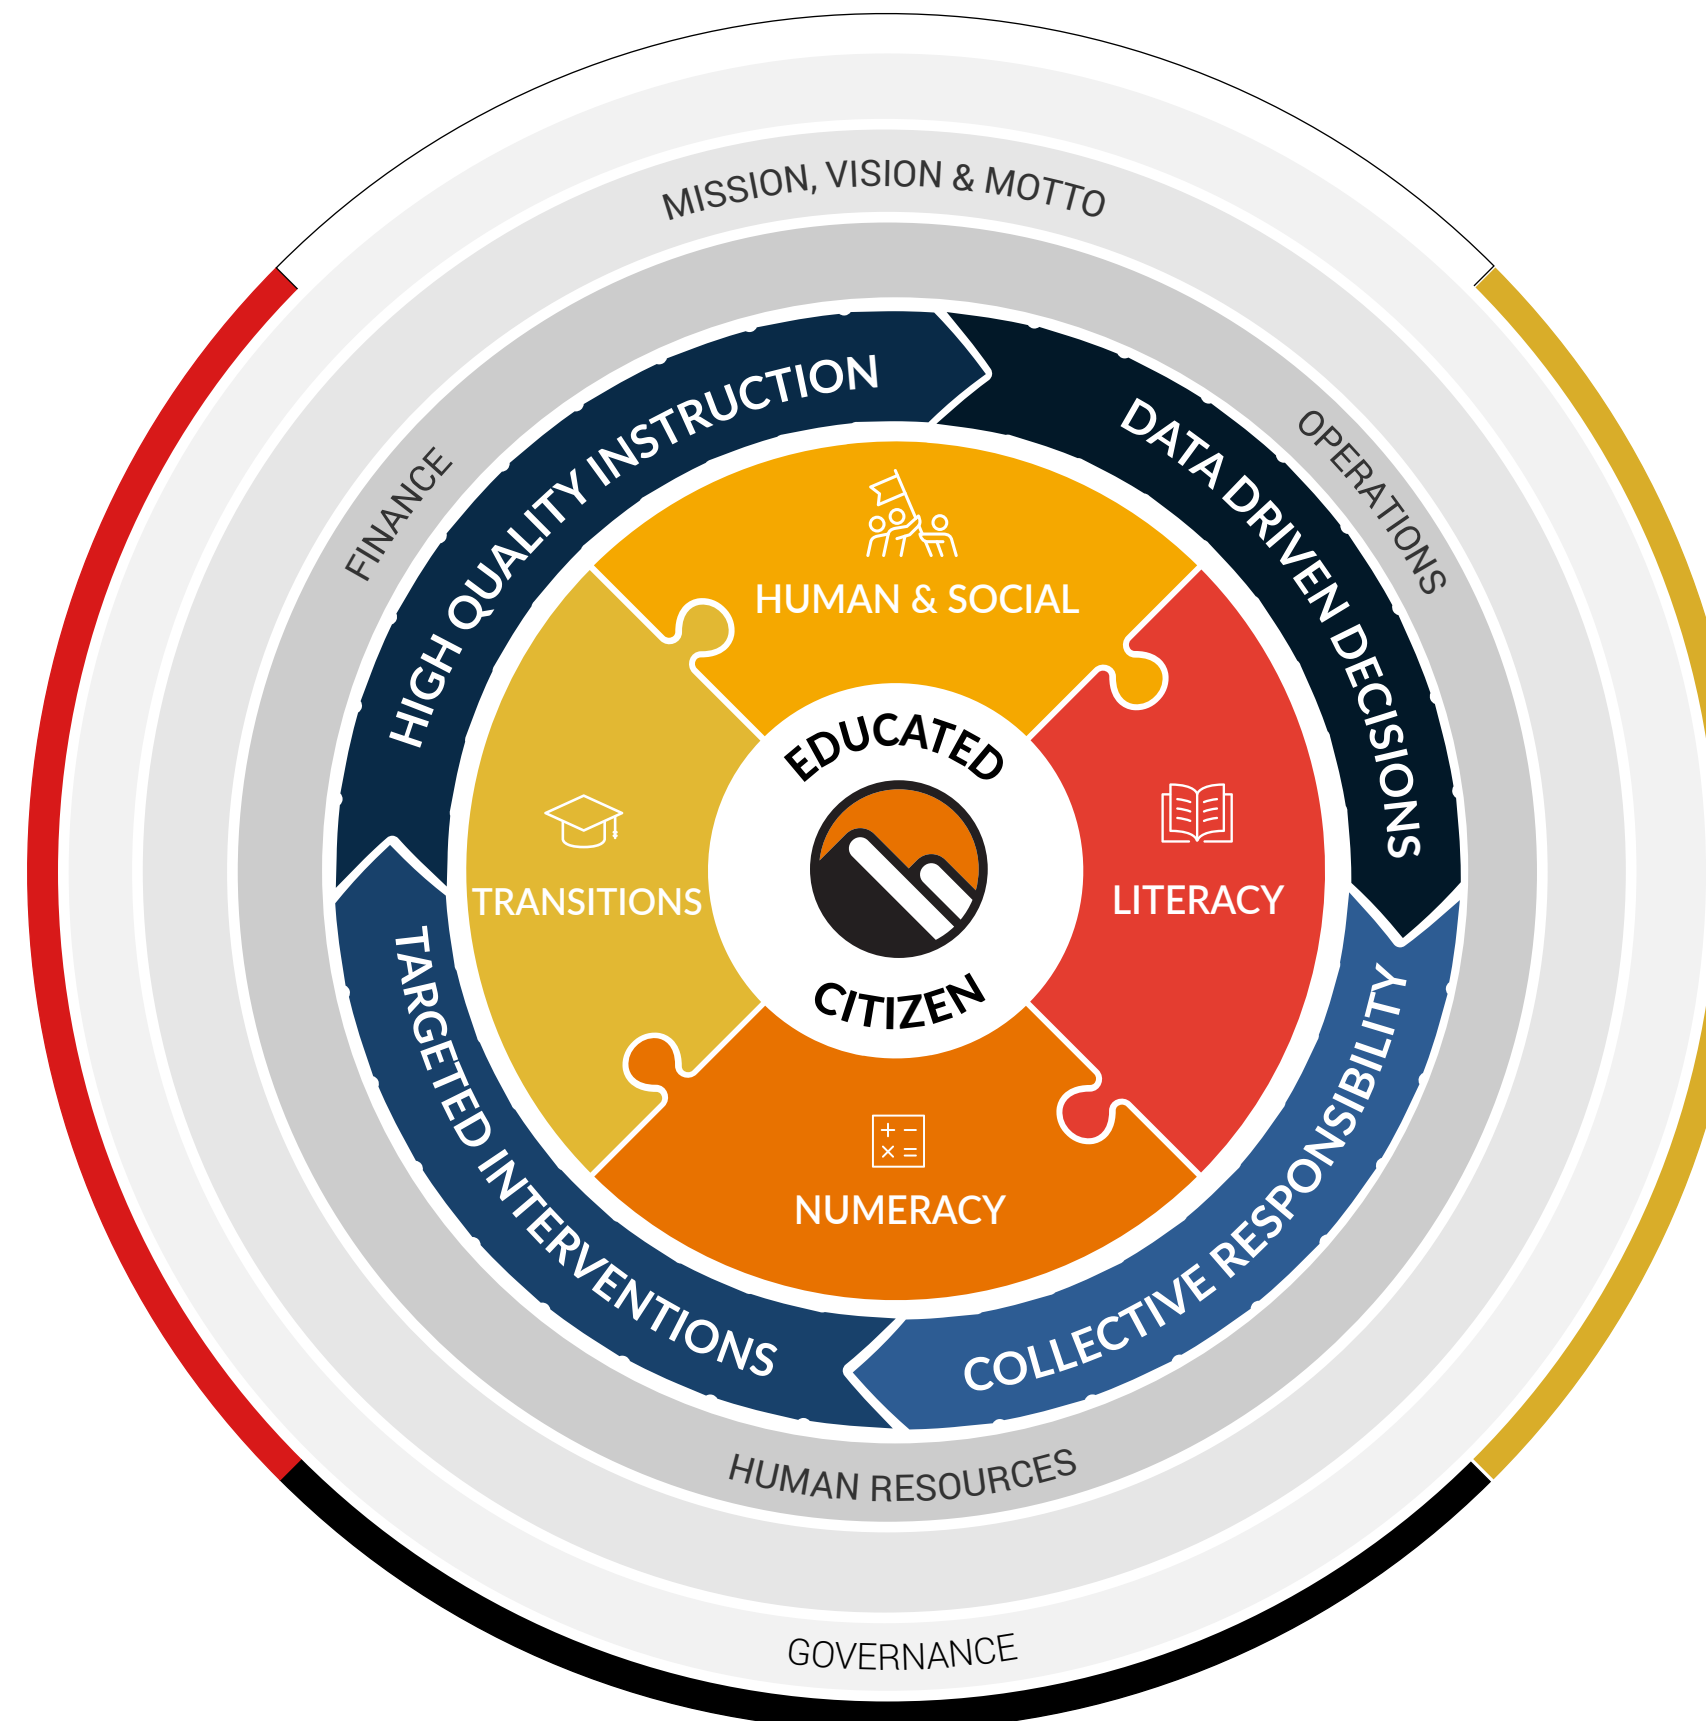

~Syós:ys lets'e th'ále, lets'emó:t~ One heart, one mind, working together for a common purpose.~

HIGH QUALITY INSTRUCTION

Innovative, inclusive and research based instruction and assessment practices support the well-being of all learners and their readiness to be inspired and engaged in life-long learning.

TARGETED INTERVENTIONS

Timely and targeted supports are the cornerstone in creating a culture of equity and belonging where all learners thrive and reach their potential.

DATA DRIVEN DECISIONS

The intentional collection and analysis of meaningful evidence ensures that actions and decisions directly support the success of all learners.

COLLECTIVE RESPONSIBILITY

Common core values and shared responsibility for student success promotes deep collaboration and commitment to growth as educated citizens.

Chilliwack School District

Literacy

We are dedicated to ensuring student are proficient in foundational literacy skills and increase their abilities, confidence, and willingness to engage with language to acquire, construct and communicate in meaningful ways from Early Learning years (pre-k) through grade 12.

Numeracy

We are dedicated to ensuring all students become proficient in numeracy skills that allow them to create, apply and conceptualize mathematics in real world situations from Early Learning years (pre-k) through to grade 12.

Human and Social Development

We celebrate diversity, embrace inclusion and foster a sense of belonging to ensure all students thrive. Equity and inclusion are foundational to learning and leading, and are critical to success and wellbeing and fulfillment.

Transitions

Students experience pivotal transition points throughout their education, from pre-K to Kindergarten, from grade to grade, school to school, and from school to post-secondary or work situations. We acknowledge our responsibility to support all learners, so they successfully complete their education with a sense of dignity and purpose, and opportunities to meet their goals.
