FOOD BANK COLLECTION: Month of December

Our entire school community will deepen our understanding about the joy of giving to those in need as we learn about and collect donations for the **Salvation Army Food Bank**. Each class will fill a decorated box car with food items to create a growing Food Bank Train.

This year the Salvation Army has assigned a food item to each participating school to collect. **Our school has been asked to collect Macaroni & Cheese.** Other donations will also be gratefully accepted. Thank you for your support!
