Community Sponsors

Our community has come together once again to assist local children in need. By the end of 2024 we exceeded one million dollars in direct support within the Chilliwack and Fraser Cascades Districts; providing everything from school supplies, brand new winter coats and warm winter footwear!

Without your hard work and dedication to the students within your school, these programs would not be possible.

On behalf of **Bowls of Hope Society**, **Art of Driving** and **Chilliwack Canadian Tire** and **all of our partners**, we would like to thank you for your commitment to the success of these important programs.
